Travelling to the Venue

From BITEC, you can easily access to all major attractions and hotels in the centre of Bangkok.

Airport:
BITEC takes only 30 minute drive from Suvarnabhumi International Airport. Three well sign-posted entrances guide you to access the exhibition hall: entrance 1 and 2 can be accessed from Bangna-Trad Road and entrance 3 from Sukhumvit Road, just off the expressway.

BTS subway:
Get off the BTS Skytrain at Bang Na Station. Walk out of exit 1 and then go straight skywalk leading directly to the show halls.
China Foundry Productivity Promotion Center had reached a global consensus of close cooperation with the Europe, Japan, Korea, Thailand, Vietnam, Taiwan, Hong Kong industry association. The global exhibition network has the best opportunity to collect the industry resources from all over the world, and present the latest products and technologies.
